RDC : les opportunités d'investissements dans le tourisme

Je confesse qu'au départ je ne me suis pas senti rassuré de travailler, à distance, avec des personnes qui vont avoir la responsabilité d'édition mon livre alors que je ne les avais jamais rencontrées auparavant. Finalement, votre accompagnement a été efficace et de haute qualité humaine. J'ai beaucoup apprécié votre professionnalisme. Je ne peux que recommander à d'autres auteurs de découvrir la maison d'édition moderne qu'est OmniScriptum.

On Language and Value in American Speech

I recommend Lambert Academic Publishing based on my favorable experience in the production of my book "On Language and Value in American Speech" (2019). All of the stages leading up to and including printing were dealt with expeditiously by my editor Alina Andriuta, who could be counted on at each point for a fulfilment of the task at hand. All in all, I was very pleased with Lambert AP.

Diversidade biológica: regulamentação jurídica do patrimônio genético

A principio achei que era uma brincadeira, mas com os emails que foram trocados vi que era uma coisa séria e bem profissional. Fiquei muito surpresa com a eficiência da editora. Pois já publiquei outro livros e foi um processo que demorou muito.
